Working the Polls

You can apply to join as one of the citizens serving as an Officer of Election! It takes over 700 Officers of Election working the polls to conduct an election in Chesterfield County.

Whether you are a worker, student, retiree, or person of leisure, your desire to be part of the

process and your willingness to work qualifies you for consideration.

As a registered voter in Chesterfield County you can serve your community and earn a little extra money as an Officer of Election.

Responsibilities include:

- ★ Setting up and closing the polls;
- ★ Demonstrating voting equipment;
- ★ Issuing ballots to voters;
- ★ Providing voter assistance;
- ★ Overseeing election procedures to ensure a fair and impartial election; and
- ★ Assisting in the certification of votes cast at the precinct.

Compensation for service as an Officer of

Election begins at
\$95 per election.

You are eligible to work in any Chesterfield County polling place, not just the polling

place where you would normally vote.

All officers of election report to the polls at 5:15 a.m. and remain until results are reported at the close of the polls.
